DAY 1 SALT LAKE CITY

Welcome to Salt Lake City! Your Tour Director is on hand late this afternoon to answer any questions.

DAY 2 SALT LAKE CITY–JACKSON

Salt Lake City is the center of the Mormon religion, where Brigham Young declared to his followers, “This is the place.” Our orientation tour will show you the best of the vibrant capital of Utah, including Temple Square with its impressive six-spired temple and adjacent tabernacle. Continue north to the Wild West town of Jackson with its wooden sidewalks and swing-door saloons. Free time to explore the shops and museums of historic downtown. Breakfast

DAY 3 JACKSON–GRAND TETON NATIONAL PARK–YELLOWSTONE NATIONAL PARK

This morning, visit magnificent GRAND TETON NATIONAL PARK, one of America’s last preserves of wild solitude. Its 13,770-foot-high ridges are crested with snow most of the year. Stroll along the shores of beautiful glacier-fed Jenny Lake before ending the day in America’s first national park, YELLOWSTONE NATIONAL PARK.

DAY 4 YELLOWSTONE NATIONAL PARK

Today, you will see the Grand Canyon of Yellowstone with its Upper and Lower Falls. Watch for herds of bison, and view many of Yellowstone’s geothermal sites, including Old Faithful Geyser.

DAY 5 YELLOWSTONE NATIONAL PARK–HELENA

Take the west exit out of the park and continue through Montana’s Big Sky Country. Travel past bison, see bighorn sheep and elk habitat, and take in views of Hebgen Lake with its crystal-blue water and picture-perfect mountain backdrop. Marvel at the forces of nature unleashed at Quake Lake and visit the CANYON EARTHQUAKE LAKE VISITORS CENTER, where the results of a 7.4-magnitude earthquake and the ghostly shadows of the trees and cabins in the bottom of the lake are visible below the enormous rockslide. Finally, drive through the incredible Madison River valley, where “big sky” comes to life and you will discover the great Western town of Ennis. Overnight in Helena, “Queen City of the Rockies.”

DAY 6 HELENA–MISSOULA–KALISPELL

Today, we make our way to Missoula, a major lumber center and home of the U.S. Forest Service and the Smokejumpers’ training center. Stop by the VISITOR CENTER at the 18,450-acre National Bison Range, and watch for bison, elk, antelope, and mountain sheep. Continue along the shores of Flathead Lake, lined with cherry orchards and one of America’s largest freshwater lakes. Continental Breakfast

DAY 7 KALISPELL–GLACIER NATIONAL PARK–GOING-TO-THE-SUN ROAD–KALISPELL

Upon entering GLACIER NATIONAL PARK, board the famous vintage RED JAMMER BUSES that will take you along one of North America’s most spectacular highways: Going-to-the-Sun Road. After crossing 6,664-foot-high Logan Pass, enter a geographical wonderland of alpine scenery, where jagged peaks, deep-green forests, pristine lakes, and meadows dominate the landscape.

NOTE:

The visit to Logan Pass is normally possible from mid-June to mid-September. If unable to travel to Logan Pass, alternative sightseeing on the Red Jammer buses will be done.

DAY 8 KALISPELL–COEUR D’ALENE–SPOKANE

Coeur d’Alene, Idaho, is surrounded by dozens of lakes left behind by the glaciers of the Ice Age. There are more than 55 lakes, but none more scenic than Lake Coeur d’Alene itself. There’s time to explore this lakefront town on your own before continuing to Spokane, Washington, for the night.

DAY 9 SPOKANE–SEATTLE

This morning, we make our way to Seattle, the “Emerald City.” This afternoon’s sightseeing includes the Seattle Center, site of the 1962 World Fair and the 605-foot-high Space Needle, and a stop at the colorful Pike Place Market.

DAY 10 SEATTLE

The trip ends this morning with guests departing on individual schedules. Transfers are provided to Seattle-Tacoma International Airport. You can explore Seattle more with extra nights. Continental Breakfast
